Emailable checks. They're everything you've come to expect from Deluxe[®] checks, now in an electronic, emailable format. And they work with accounting software, so using them is easy:

- 1** Fill out fields on the check (like a paper check) using a computer or mobile device
- 2** Add an email address for the recipient
- 3** Hit send

A screenshot of a 'Write a Check' form for a 'Deluxe Marketing Account'. The form includes fields for 'Deluxe Corporation' (3680 Victoria Street North, Shoreview, MN 55126), 'Check No.' (W11225232), and 'Date' (09/25/2015). There is a 'PAY TO THE ORDER OF' field with a dropdown arrow and a '\$' symbol followed by a text input field. Below this is a 'Memo' field. At the bottom, there is a 'Payee email' field. A security notice at the bottom of the form reads: 'Account numbers are concealed for your security'.

From the moment it's sent to the moment it's cashed, you're in control with emailable checks.
